What people are saying:

"Her work is powerful and it was mind-blowing when I heard her talk about the strategies and information that I could use to help me as a thought leader understand how relationships, and the dynamics in those relationships, can help me be a more effective entrepreneur and more effective leader in my organization."

~ Lethia Owens - International Speaker, Author, Coach

"Coach Shaquan provided a unique and energized professional development session. We'd be happy to have her work with our network again."

~ Erica King, Manager of Talent Development and Diversity & Inclusion Initiatives - Regional Business Council

"Participants walked away owning their role in fostering better communication and bringing energy to every teaching and learning experience. These trainings have been well received and of great benefit to our clientele."

~Dr. LaTisha A. Smith, Director of Professional Development - Saint Louis Public Schools

Service Categories:

Leadership

Looking for creative and effective ways to motivate your leaders to serve with passion and purpose? Coach Shaquan offers the most transformational tools used by successful leaders to ensure your entire organization represents its core values!

Relationships

Whether it's partnerships, friendships, personal or professional relationships, let Coach Shaquan share relatable and useful self-awareness strategies to equip and position yourself to attract, influence and build healthy relationships in the workplace and beyond!

Personal Development

Most people are completely disengaged from life, only going through the motions and doing enough to get by. Coach Shaquan will help you discover barriers to successful leadership, and reveal ways to be most authentic, inspired and confident in your personal brand!
